

MiniRail2

Small. Attractive. Powerful. Made in the USA and priced right. What else could you ask for? Lumitec's MiniRail2 delivers. As with all Lumitec luminaires, the Rail is IP67 compliant, which means despite its great looks it is just at home on a spray-drenched hard top as a teak-adorned salon. Choose White, Red, or Blue output.

IP67 Compliant

SKU	Finish	Color Output	CRI	CCT	Voltage	12vDC	24vDC
101078	Brushed	White	70 - 75	4950	10 - 30vDC	130mA	140mA
101079	Brushed	Blue	70 - 75	NA	10 - 30vDC	130mA	140mA
101080	Brushed	Red	70 - 75	NA	10 - 30vDC	130mA	140mA
