

A more efficient way to clean™

Premium Brushes

Extra Soft for gentle cleaning

Soft Flagged

Medium for Non-skid

Stiff for aggressive cleaning

- Patented design permanently encapsulates the Uni-Snap™ fitting in the brush.
- Rubber “bumper” around perimeter – Brush will not mar surfaces
- Molded composite material effectively retains bristles.
- Durable bristles – long lasting and resist most cleaning chemicals
- Flagged bristles in Extra Soft and Soft Brushes for maximum solution retention. Will clean delicate surfaces without scratching.
- Attractive Clam Shell packaging for prominent retail display.
- Each brush color coded for easy identification.
